Dear Mrs Manley:-

Yours of the 5th at hand and am taking care of
your requests via Air-mail at once.

First I am eliminating the three size 40 Jackets to make the total
on the order read 17 and using the balance of the sizes as specified.

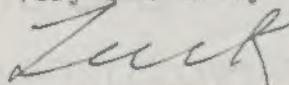

For the caps I am sending word to the factory to change the letter
to "E" and not use the letter "N" --

I have the copy of Mr Robb's letter of the 5th to you and feel right
good over the fact that he beleives that we can get the Jackets to
you by the middle of April -- and I know every effort will be put
forth to keep the shipping date or even beat it. I beleive that you
will like the tan horse hide sleeves as per Mr Robb's letter -- that
seems to be the very popular color scheme and will make a very fine
appearing garment.

I am sending our Philadelphia Branch a copy of this so that they can
be on the look-out for your returning the caps to them so that the
letter "E" can be sewed on by the factory.

Know you already have or will write Mr Robb to start as soon as it
is possible on your Jackets. With the very best of wishes for both
yourself and Abe I am,

Very sincerely

E R Reilly
